

HULA Special Dogs

Luke

Age: 2

Breed: Crossbreed

I came to HULA via Hope Rescue – sadly I was roaming on the Street of Wales and then ended up in the Dog Pound. When my time was up and nobody claimed me I was secured a rescue space at HULA. When I first arrived I had limited interaction with people and the HULA Staff and Volunteers have worked very hard to help me with this. I attend regular training classes where I flourish and really enjoy playing with my doggie friends and also I have proven to be a natural athlete and potential agility star. Anybody wishing to adopt me will need to speak to HULA and be prepared to spend time getting to know me – the HULA staff know a lot about me so are best placed to judge if any potential new adopters circumstances are right for me.

I Love....

Polite fuss & attention! (I'm not the cuddly type)

Exercise – walks & especially a treadmill!

Agility – is a must! I work very hard at it

Chasing tennis balls and other toys & to learn Fly Ball.

Playing with other dogs, chasing & being chased

I'm Looking For

An experienced owner prepared to commit to a regular programme of exercise and to continue with my training and socialisation work. A quiet home where I can have my own space and no cats or children.

Ideally you will want to do agility classes with me take me for long, varied walks and days out. You would be prepared to come to HULA and spend time getting to know me.

Education & Training

General obedience classes

- 🐾 Recall to handler
- 🐾 Agility training in progress - excellent prospect.
- 🐾 Sit, gives paw and knows down command for a reward
- 🐾 Walk through doorways & past other dogs in a controlled manner
- 🐾 Get to know me and gently brush me, tickle me, stroke me
- 🐾 Examine my teeth, ears and body, dry me and give medication
- 🐾 I allow my toys to be taken from me
- 🐾 Car trained

My Promise To You

Prospective owners can expect a bright, hard-working and loyal boy who thrives on routine, regular exercise and who has a passion for agility. This is good for my socialisation and mental stimulation. I am nervous of strangers at first, but once familiar I'm polite and well behaved, I don't get over-excited.

I am great in a car, love going places and am good with other dogs. I will improve in all areas with positive reward based training and I know I can be an exceptionally loyal, fun and active companion to a very special person.
